PRESS RELEASE

HORSESHOE BEND COUNTRY CLUB IN ROSWELL, GA., ONE OF 13 TENNIS FACILITIES HONORED FOR EXCELLENCE AS A 2015 USTA FACILITY AWARD WINNER

WHITE PLAINS, N.Y., June 16, 2015 – The USTA has announced that the Horseshoe Bend Country Club in Roswell, Ga., is one of 13 winners in its 34th annual USTA Facility Awards Program, which recognizes excellence in the construction and/or renovation of tennis facilities throughout the country. Representatives from the Horseshoe Bend Country Club will be honored at the USTA Semi-annual Meeting at the Grand Hyatt Hotel in New York City on Sept. 6.

Horseshoe Bend is one of just six private tennis centers to be recognized by the USTA. The club is dedicated to the development of junior tennis through both programming and facilities with four stand-alone 36-foot courts and four blended-line 60-foot courts in addition to perfectly-maintained green clay, European red clay and hard courts. The club hosts programs for players from ages three to 90.

The facility has a very active membership, both in social and league play, and the added amenities of three pools, locker rooms, a restaurant, bar and shaded viewing areas provide a great atmosphere that is welcoming to the entire family.

“Great tennis facilities like the Horseshoe Bend Country Club help us to grow the game at the grass-roots level, and we are proud to recognize them for their ongoing impact on the sport of tennis,” said Kurt Kamperman, Chief Executive, Community Tennis, USTA. “Horseshoe Bend has embraced many of our tennis initiatives and kept the sport at the forefront of their community each year.”

To be considered for an award, facilities must be under the jurisdiction of a parks and recreation department, an educational institution, a non-profit corporation, or be a private or commercially owned and operated facility that offer both USTA and public programming designed to help grow tennis.

Facilities were judged upon the following criteria: overall layout and adaptation to site; excellence of court surface and lights; ease of maintenance; accommodations for players, spectators and press/officials; aesthetics; graphics (including the use of signs and landscaping); amenities such as casual seating for spectators, food services and social areas; and the facilities’ participation in USTA programs.

Nominated facilities were voted upon in the following categories: **Public Courts** that are either small tennis centers with 2-10 courts or large tennis centers with 11 or more courts; **Educational Institutions**; and **Private Facilities** that support the USTA and other “growth of the game” programs open to the public.

All 2015 award winners will receive a wall plaque and an all-weather sign, which can be mounted at the facility. Certificates of award will be made available to park and recreation departments, schools, and those professionals responsible for the design,

construction, and maintenance of the facility. In addition, a one-year complimentary membership to the USTA will be awarded to each winning facility.
